(Advisor) (Date)

NOTE: A total of 29 credits of letter-graded coursework (including 14 credits minimum of WIS) are required to graduate. More courses can be taken but will not be used for the degree. If you end up with less than 14 credits of WIS letter-graded courses, then work out a petition with advisor to count non-WIS courses as WIS course credits. One credit of WIS 6933 Seminar (S/U grade) is required for a total of 30 degree credits. Other S/U courses taken will not be counted toward degree credits.

Note: Students should collect the committee chair and committee members’ signatures and then turn the form in to the WEC student services office.
