

WIS 6910 Registration Form

UF Department of Wildlife Ecology & Conservation

Student's Name _____ Term _____

UFID No. _____ Degree Program _____

Use this Form to request registration in: *WIS 6910 Supervised Research*

Note: This department-controlled course provides an S/U grade and may be used by WEC MS and WEC PhD students who have met true, graded credit requirements for their degree program. WEC MS thesis and WEC MS non-thesis students are cautioned to seek advisement about the use of WIS 6910 in their degree programs. Students from other degree programs may request registration in WIS 6910, and are advised to consult first with their graduate advisor about the use of this course in their degree program.

No more than 5 credits of WIS 6910 may be taken by a graduate student at UF, per UF Graduate School policy. Registration in WIS 6910 does not provide a true, structured grade.

Number of Credits _____ Project Supervisor & Email _____

Brief Description of Assigned Project

Signatures

Student _____ Date _____

Faculty Advisor _____ Date _____

Please lift any holds and return this form to WEC Student Services (102 NZH) to be registered for WIS 6910. Your faculty advisor will be contacted at the end of the term to provide your final grade.
