

WIS 6940 Registration Form

UF Department of Wildlife Ecology & Conservation

Student's Name _____ Term _____

UFID No. _____ Degree Program _____

Use this Form to request registration in: *WIS 6940 Supervised Teaching*

Note: This department-controlled course provides an S/U grade and may be used by WEC MS thesis and WEC PhD students to meet requirements for their degree programs. WEC MS non-thesis students may not register for WIS 6940. Students from other degree programs may request registration in WIS 6940, and are advised to consult first with their graduate advisor about the use of this course in their degree program.

No more than 5 credits of WIS 6940 may be taken by a graduate student at UF, per UF Graduate School policy. Registration in WIS 6940 does not provide a true, structured grade.

Number of Credits _____

Your Teaching/TA assignment - Course Prefix /Course Number _____

Faculty Supervisor of Your Teaching Duties _____

Brief Description of Assigned TA duties, if applicable

Signatures

Student _____ Date _____

Faculty Advisor _____ Date _____

Please lift any holds and return this form to WEC Student Services (102 NZH) to be registered for WIS 6940. Your faculty advisor will be contacted at the end of the term to provide your final grade.
